woodland cottage

Homes in Harmony

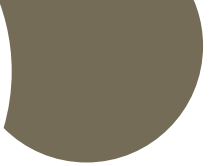

Your Woodland Cottage awaits. Breathe in the scents of fresh pine and fallen leaves, take a solitary hike along a rocky ridge, enjoy a quiet rain as it sifts through the leaves. This Pratt & Lambert® palette understands.

Let the wooded trail lead to your door. Welcome the gentle greens and warm neutrals picked from the trees, the soft blues and grays found on the bank of a hidden lake and the mossy, earthen tones from the forest floor.

CL062 Organic Architecture

CL114 Oasis Mirage

Do you find your mind wandering down wooded pathways to a cottage among the trees? Here are the colors and hues, shades and shadows you'll find along the way. Bring them inside for a single room or a whole home that fits your nature.
